NÜRNBERG

Simply Unique

History meets the future in a very unique way in Nuremberg. At the foot of the Kaiserburg beats the pulsating heart of a metropolitan region that's economically strong, scientifically innovative, traditional to its core, yet culturally diverse. Every year, Klassik Open Air attracts an audience of some 160,000 to the Luitpoldhain, Europe's greenest concert hall. The Blue Night, the Meeting of the Bards and the world famous Christmas Market are other great highlights of this friendly, cosmopolitan city that's intensely relaxed about its place in the world.
